

We are planting a church in Fredericksburg, VA! And we want YOU to be a part!

Are you looking for a missions opportunity for this summer? Do you want to see how God is moving His kingdom forward to reach the nations? Right here in the US?

Then we want to invite you to come and be a part of launching Impact Church of Fredericksburg!

This missions opportunity is all-inclusive, meaning the cost covers food and lodging. The only piece you must provide is transportation. With this option, you can expect the price to range around \$250 per person in your group!

- Help launch a brand new church plant
- Work in and around a local community, doing mission all outreach and servant evangelism
- Tailor your trip for your group's interests and current needs in our area
- Impact the neighborhood, Northern Virginia, and the nations with the gospel of Jesus Christ!
